

Thank You!

To our wonderful Hospital Visiting Group, who are hanging up their ministry hat after 47 years!

Thank you to the many members of this group for giving much needed love, care and spiritual nourishment, not to mention lollies, gifts and music to the residents and staff at Ferndale Gardens, Shangri-La, Fairlea and Gannon Gardens nursing homes.

Thank You!

To our wonderful Hospital Visiting Group, who are hanging up their ministry hat after 47 years!

Your dedication and support were truly appreciated and inspiring! Your “Christ-like” and joyful presence has made such a difference to many lives during this precious and uncertain time of ageing, sickness and healing. The parish will continue to nourish the seed you have planted. May God continue to bless you all.
