

## **My purpose...**

Lord,  
Help me to know my purpose in life.  
Help me to choose the right path to walk.  
Help me to discern, to use my right judgment.

Each step is a new beginning, a new understanding, a new direction.  
Help me to always walk with you by my side, guiding my steps.

Help me to accept the forks and turns in the road,  
knowing that each challenge may lead to a new strength.

Comfort me and strengthen me, that I may be a comfort and be a strength for others.

Help me to see the joy in life, to experience the sorrow and pain, to listen and understand.

And through times of loneliness and hardship may I see that it is by experiencing these  
that I may fully understand what others experience.

Lord,  
Your son Jesus is an example to me; help me to be an example to others.

My purpose is simple:  
Love others as you love me.

Amen.
